

## Moline and East Moline

MY CLAIM TO  
BANDIT BOOTY

Robbery of the Commercial Savings bank of Moline is only one of a long list of similar hold-ups committed by Joseph Forrest and William Johnson, Toledo authorities allege.

Three high priced automobiles, a \$10,000 yacht and \$65,000 in securities are being held by Toledo police as a part of the plunder. A half dozen Ohio banks are clamoring for the bandit booty and also for the bandits.

R. M. Johnson, cashier of the Moline bank, who returned Saturday from Toledo, where he identified Forrest and Johnson, stated the courts have not determined how much of the plunder will be turned over to the Commercial bank. It is probable that the Moline and Ohio banks will be forced to share it according to their losses. Most of the robberies which Forrest and Johnson are alleged to have helped commit in Ohio occurred before Aug. 3 and it is for that reason the men will not be brought to Moline for trial.

Forrest and Johnson still deny they were implicated in the Moline robbery on Aug. 3 according to Cashier Johnson. Mr. Johnson visited Cow Boy Bill in the hospital, where he is constantly guarded by two officers. The wounded man gave no sign that he recognized the banker and refused to talk about the robbery.

Mr. Johnson visited Forrest in the county jail at Toledo, where he identified him from a line of 12 prisoners as the man who had faced him on the morning of Aug. 3 and ordered him to throw away the bank's vault. Forrest is being held under \$25,000 bond.

Carlisle Graduate, "William Johnson, the man in the hospital, is not a light colored negro, as was at first supposed," Cashier Johnson said. "He is known as Cow Boy Bill in Ohio and is an Indian and a graduate of Carlisle university. He is said to have been one of the leaders in the bandit game."

One of the cars held by Toledo authorities is believed to be the one in which the bandits escaped after robbing the Moline bank. It is probable that some of the \$65,000 worth of securities were taken from the Commercial bank and that a part of this will be returned.

HOME BREW CAUSES  
ARREST OF THREE

Three drunks were arrested in East Moline over the week end, all victims of home brew.

August Martin was fined \$3 and costs after pleading guilty to being intoxicated Sunday night. He paid, but not before he had advised the court on some length to "get after the ones that make it." Outside of court he admitted having manufactured the brew himself, but denied selling it to his comrades.

Tony Wattinsky and Camiel Beaupre were the other two arrested. They will appear before Magistrate Niles this afternoon.

PROMINENT MOLINE  
CIVIC WORKER DEAD

Mrs. Charles H. Godehn, 733 Twelfth street, Moline, a lifelong resident of Moline and prominent civic worker, died at 4:10 yesterday morning in the Lutheran hospital, Chicago. Members of her family were present when she died.

Mrs. Godehn, prior to her marriage Miss Ida Anderson, was born in Moline Sept. 10, 1855. She attended the local schools and was married here May 16, 1883. She was confirmed in the First Lutheran church and was a member at the time of her death, taking an active part in the affairs of the church as well as in community and social work. It was in civic work that she was most widely known.

Besides the husband she leaves two sons, Clifford of Chicago, and Harold of this city; two sisters, Mrs. Emily Thompson of Moline and Mrs. Christina Lofstedt of Ripley, Iowa.

Funeral will be held at 2:30 Wednesday afternoon from the home, with services at 3 o'clock in the First Lutheran church. Rev. C. O. Moreland will have charge at both services.

## MOLINE OBITUARY

The services were conducted by Rev. W. B. Slater. Singers were L. B. Gilbert and Paul Slater. The bearers were Oliver Snodgrass, Leonard Bower, Fred Frazier, W. E. Longstrech, J. M. Elliot and Orley Bryant. Interment was in Riverside cemetery.

OFFER INSULTS TO  
GIRLS AT A DANCE;  
FINE FOUR YOUTHS

Charged with disturbing the peace, four Highland youths paid \$4.40 each today when arraigned before Magistrate Gustafson. The youths were Ray Verslius, 19; Charles Algood, 18; Ed Vandervoort, 15, and Gust Vandervoort, 17. Charges were preferred by N. O. Sellars, who states the boys hurled insulting remarks at girls and women as they entered the Highland dance hall Saturday night.

Mr. Sellars also charged the youths with meddling with his automobile. A dogrods box had been placed underneath it so that the wheels could not touch the ground.

LAST RACE IS SEEN  
BY A LARGE CROWD

Between 400 and 500 persons witnessed the last of the season's races, staged by the St. Elroy Belgian Horse club on the Colona track yesterday afternoon. The races were some of the closest held this year, although the track was in poor condition.

Black Della, winner of the first class harness race, made the mile in 2 minutes 22 1/2 seconds, and was closely followed by Frenzonal, her only competitor. Placings in the other races were: Second class, Black Diamond, first; Paddock, second. Third class, Dan, first; Cyclone, second; Flying Mistle, third. Maude D. fourth, and Chick fifth. Fourth class, Charlie first; Esther Spire, second; Jim, third, and Queen, fourth. The running race, which closed the program, was won by the following riders: Floyd Stone, first; Walter Brown, second, and Leo DeFries, third.

Financially, the season has been a success, the club closing its activities with a considerable sum in the treasury. Six races were staged during the summer, all attended by record crowds. A banquet for the benefit of the club will be held Oct. 12 at Van Damme hall, to which all members are invited.

LEAGUE MEMBERS  
PLAN A BUSY YEAR

Monthly open meetings with lectures on various scientific and artistic subjects will feature the coming year's activities of the East Moline community league. Date and program for each month's meeting were arranged at a recent meeting of the league members and officially announced today by Miss Grace Hornaday, secretary.

The first open meeting will be held Oct. 14, and other meetings are scheduled for the second Thursday of each month. Miss Molly McEniry of Moline will have the first open meeting in charge.

Citizen classes for women, with Mrs. Mary Ogden of Moline as instructor, will open next Monday for a four weeks' course. All women interested are requested to be present at 7:30 in the league rooms. Domestic science classes begin Oct. 19, and will be conducted at East Moline township high school. Instruction will be given between the hours of 7:30 and 9 p. m., and will include a practical study of cooking and preparation of home meals.

## FORD AND ELGIN COLLIDE

A Ford touring car going north on Nineteenth street, East Moline, collided with an Elgin six coming east on Third avenue at the intersection of the two highways about 7 o'clock last night. A rear wheel was torn from the Ford and the body smashed, the Elgin having struck it squarely in the middle and pushing it to the farther side of the street.

None of the passengers was injured and the matter of damages was settled out of court.

FINE PAIR FOUND  
PROWLING ABOUT  
HOTEL CORRIDOR

Harry Kincaid and Glad Williams, East Moline youths, pleaded guilty to disorderly conduct charges preferred by Mrs. Lulu Orman, wife of Harry Orman, proprietor of the Orman hotel, when arraigned before Magistrate A. A. Niles in police court this morning. Both were fined \$5 and costs.

Mrs. Orman stated that she had caught the youths prowling about the corridors of the hotel at 2 o'clock in the morning and that they refused to give her any explanation of their presence there. She also alleges one of the rooms had been broken into for several days in succession and that cigarette stubs were strewn about the place and furnishings disturbed. The lock on the door had been pried. Evidence was insufficient to prove that Kincaid and Williams had entered the room, however.

MOLINE'S ARRESTS  
IN SEPTEMBER ARE  
220, REPORT SHOWS

Arrests made by Moline police during September total 220, of which 170 were state cases and 50 city ones, according to reports filed by Magistrate Gustafson today. Sixteen city ordinances were violated and arrests were made under 22 state laws.

Campaign against auto lights regulations instituted last month resulted in an appalling number of arrests on this charge. One hundred and eleven auto drivers were arraigned before Magistrate Gustafson on various lights charges. Ten boys were arrested for driving bicycles without licenses.

Only 10 speeders were arrested. The small number of such cases is believed to be due to the inactivity of Pleasant Negley, motorcycle officer who was injured early in September. Mr. Negley is expected to be back on the job some time this week.

SORGENSON FALLS;  
IS SECOND IN RACE

George "Buck" Sarginson, East Moline fireman, and winner of many motor races, finished second in the Kewanee race held under the auspices of the Kewanee police Saturday. A serious spill which took place on the 11th lap of the race was responsible for Sarginson's failure to take first place. When the spill took place Sarginson's machine was a lap and a half ahead. Then his motor clogged with sand and almost a mile was lost in making a fresh start. The 15 mile race was staged on a half-mile track.

## CHECKS FIRE IN AUTO.

Firemen of the Moline central station were called at 8:50 last night to extinguish a blaze in the cushions of an automobile owned by D. M. Daniels, 1216 Fourteenth street. The car was parked on street, and a cigarette was expected to be the cause of the fire. The flames were put out by use of chemicals before they reached the gasoline tanks.

## YOUTH BREAKS PAROLE.

Edwin Elstrom, 19 years old, was arrested by Moline police Saturday night on a charge of violating his parole. Elstrom, who recently pleaded guilty to stealing tires from the Volvo shop at Twenty-seventh street, is alleged to have failed to report to W. A. Golden, a parole officer. Police say he also caused a man to be arrested and failed to appear at the trial. The youth was taken to the county jail today.

NEW SETBACKS  
IN WHEAT PRICE;  
CORN BEARISH

Chicago, Oct. 4.—Severe new setbacks in the price of wheat resulted today from an increase of country selling. March delivery went down \$2.00 for the first time on the crop, and December dropped also to a new low level. Figured on the basis of the premium of the hard winter grade over the December delivery, wheat today was cheaper than at any time since 1917. Opening quotations, which ranged from 2c to 3 1/2c down, with December \$2.04 to \$2.04 1/2, and March \$2.00 to \$2.01. Were followed by a moderate rally and then by a drop much under the initial bottom prices.

Later, there was an unusual absence of support other than from shorts, and with liquidation much in evidence the market suffered additional big cuts. The close was heavy, 11 1/2c to 12 1/2c, net lower, with December 1.95c to 1.95 1/2c, and March 1.91 to 1.95 1/2c.

Big receipts and fine weather had a decided bearish effect on corn. After opening 1/2c to 3/4c lower, including December at 59c to 59 1/2c, the market continued to descend. Oats sympathized with corn, starting 1/2c to 3/4c off, with December 55c to 55 1/2c, and not showing any special power to recover. Provisions lacked support despite an upturn in the value of hogs.
